

Gin Blossoms - Hey Jealousy chords

Intro: D E f#m E x2

VERSE 1

Tell me do you think it'd be all right, if I could just crash here tonight
You can see I'm in no shape for driving, and anyway I've got no place to go
And you know it might not be that bad, you were the best I'd ever had
If I hadn't blown the whole thing years ago, I might not be alone

CHORUS 1

Tomorrow we can drive around this town, and let the cops chase us around
The-past-is-gone-but something might be found, to take its place...hey jealousy
Hey jealousy, hey jealousy, hey jealousy

VERSE 2

And you can trust me not to think, and not to sleep around
If you don't expect too much from me, you might not be let down
Cause-all-I-really-want is to be with you, feeling like I matter, too
If I hadn't blown the whole thing years ago, I might be here with you

CHORUS 2

Tomorrow we can drive around this town, and let the cops chase us around
The-past-is-gone-but something might be found, to take its place...hey jealousy
(no extra "Hey Jealousy")
