Intro: F# - D - A - E (no thirds) 4x solo guitar; 4x with band

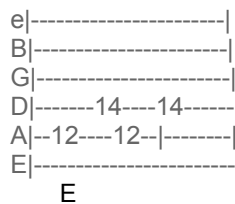

INTRO:

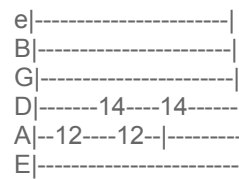

VERSE guitar notes

AND

AND

F# (let ring, then no guitar)

Four hundred of my closest friends

Forgotten names that I pretend

To know, it hasn't even been that long

(guitar notes)

So how've you been, you look the same

Remember when the Doughboys played

At Gilman and they broke up on your lawn?

And I wish it could always be like

This is something I've been missing

F# E (syncopated)

It's not too late to change what you've become

The last time I saw everyone

We buried our friend and his gun

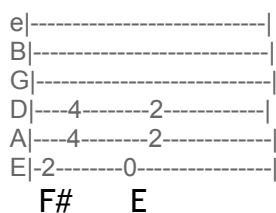

F# E (syncopated)

I think he'd be happy here right now

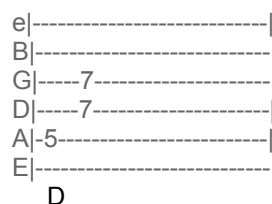

D (build...)

So don't be jaded

SYNCOATED CHORDS

DON'T BE JADED...

VERSE 2

F# (let ring, then no guitar)
I forgot how good it feels
To be part of a spinning wheel
Supported and supporting, on and on

Forget the shit-talk and the shame
You will only be young for so long
And I wish it could always be like
This is something I've been missing
