

by Samiam

VERSE 1

CHORUS 1

VERSE 2

F# A
I forgot how good it feels
D

To be part of a spinning wheel

F# E D

Supported and supporting, on and on

F# A

Forget the judgment and the games

D

Forget the shit-talk and the shame

F# E D

You will only be young for so long

A (whole notes)

And I wish it could always be like

D

This is something I've been missing

B

F# - E (syncopated)

It's not too late to change what you've become

A

The last time I saw everyone

D

We buried our friend and his gun

B

F# - E

I think he'd be happy here right now

D - C# - B - A

Don't be jaded

CHORUS 2

F# A D F#

I don't wanna spend another long and lonely weekend by the phone

E D

Without anyone to call

F# A D

I've had a lot of time to think and I'm so tired of thinking

F# E D

I know why he put that bullet in his skull

BRIDGE:

F# A D (whole notes)

Because life can be so dull (4X)

INSTRUMENTAL: 16 bars (like bridge. Eighth notes)

F# A D (4x)

Guitar Intro: F# - D - A - E (no thirds) 2x only solo guitar;

CHORUS 3

F# A D F#

I don't wanna spend another long and lonely weekend by the phone

E D

Without anyone to call

F# A D
I've had a lot of time to think and I'm so tired of thinking
F# E D
I know why he put that bullet in his skull

OUTRO (like bridge)

F# E D (eighth notes)
Because life can be so dull
F# E D
Life can be so dull
F# E D - C# - B - A (syncopated)
Oh, life can be so dull
F# E D (syncopated)
Life can be so dull

Ends on sustained D
