[Intro]
G D C G   (Repeat 5 Times)

```
G           D          C G
Wasn't I good to you,
          D   C  G
Didn't I show it
          D         C  G
And if I ever hurt you,
          D   C  G
I didn't know it

G             D        C    G
If you thinking I don't care,
             D    C  G
Then you're mistaken
            D       C    G
My love was always there,
                  D    C
But now my heart's breakin'
```
